

ANCILLARY FILES FOR:

Nursing Student Retention: Understanding the Process and Making a Difference, Second Edition

Marianne R. Jeffreys, EdD, RN

The Nursing Student Retention Toolkit ISBN 9780826109613

This toolkit consists contains a comprehensive set of hands-on resources for designing, implementing, and evaluating student retention and success strategies. To be used in conjunction with *Nursing Student Retention: Understanding the Process and Making a Difference*, the toolkit can be used by educators, administrators, and researchers, and is appropriate for all undergraduate levels and settings, including diploma, ADN, BS, RN-BS, and accelerated BS programs.

Toolkit items include ten questionnaires, a questionnaire-coding page for respondent anonymity, a conceptual model, two illustrated pathways, six assessment tools, and ten faculty-interactive retention strategy design modules.

Fees for Use:

Any use of the toolkit or portions of the toolkit beyond individual, personal use (such as within an institutional setting and/or in a research study) will require purchase of a license. See below.

Individual Personal Use: This toolkit is available for review and individual personal use to all purchasers of the book, *Nursing Student Retention: Understanding the Process and Making a Difference, Second Edition*, by Marianne R. Jeffreys, EdD, RN.
